Dear sir

I hope this email finds you well. After careful consideration, I have decided to resign from my position as junior engineer at accenture, effective [Last Working Day, typically two weeks from the date of the email].

I want to express my sincere gratitude for the opportunities and support I've received during my time here. Working with you and the team has been an invaluable experience, and I've gained skills and insights that I'll carry with me throughout my career.

Please let me know how I can assist during this transition period to ensure a smooth handover of my responsibilities.

Thank you once again for your guidance and understanding. I hope to stay in touch and wish you and the company continued success.

Best regards,
[meet desai]
